From one of Latin America's finest writers comes a mesmerizing novel about the legendary Eva Peron. Bigger than fiction, Eva Peron was the poor-trash girl who reinvented herself as a beauty, snared Argentina's dictator, reigned as uncrowned queen of the masses, and was struck down by cancer. When her desperate but foxy husband brings Europe's leading embalmer to Eva's deathbed to make her immortal, the fantastical comedy begins.

书评

Fiction or truth? Evita has become not she ceased to be when she died, but what she was in people's recount. Added to it are the stories of the people who were obsessed

with her corpse. She became millions in the heart of his people, both enemies and follow...
