It seems that everywhere twelve-year-old Oliver Kovak turns, there's a battle to be won - or lost. When his father, a nurse, is assigned to Saudi Arabia during the Gulf War, Oliver, his mom, and his twin brother, Jerry, move East to live his grandparents. There, not only must he learn to get a long with his grouchy grandfather, but he must cope with the cruel put-downs of a gym teacher and the taunts of new schoolmates. But his biggest "war" is a personal one - Oliver, who always looks as if nothing bothers him, must learn to let people know when he is hurting...
