出版时间:1997-11-1

装帧:Hardcover

isbn:9780876054291

This is our seventh set of Happy, Healthy Pet titles. These latest books will bring our series up to fifty-five titles and, like the others, they are books pet owners can turn to for the essential information they need to raise a healthy, happy pet. All books contain information on: c feeding c grooming c housing c health care c what to expect from the pet c basic training As our series expands and focuses on different kinds of pets, the emphasis remains on making the pet a companion. Owners of more unusual pets will particularly appreciate the expert advice in these books because professional care for exotic animals can be hard to come by. As always, the instruction on the books is from experts people who know their pets intimately but always remember what it was like to have one the first time. Happy, Healthy Pet guides are rich with professional quality color photos and are designed to be enjoyable and easy to learn from. Expert herper and author Steve Grenard details care information for a variety of lizards commonly kept as pets, including geckos, anoles, monitors and more.
