Bob Church, one of fly fishing's best known personalities, and Peter Gathercole, expert angler and photographer, offer a new approach to mastering this exciting popular sport. Trout can be found in all types of water--reservoirs, lakes, streams, and

riversand for each environment the angler is shown how to change his techniques to cope with prevailing conditions. Step-by-step color photographs are used to illustrate the major techniques, clearly allowing the reader to refer quickly to any topic of specific interest. Packed with sound advice, "Fly Fishing for Trout" is the definitive guide to trout fishing for all fly fishermen, novice or expert.
