Colum Hayward takes the reader on a transformative journey - a description of working with a wise and loving spiritual teacher. The teacher is White Eagle. His guidance and wisdom have helped and encouraged Colum from an early age, through his own personal problems and difficulties, and enabled him to discover a deeper meaning behind daily events. In the light of this, Colum uses simple everyday language to portray what it is like to feel and act upon White Eagle's guidance. The book also tackles sexuality and gives a view of karma. The work of White Eagle Lodge is explained from its beginnings, with its symbolism and daily routines put into practical perspective. An appendix gives a reference to every aspect of White Eagle Lodge, including a reading guide to all the White Eagle books.
