CHALLENGING THE STIGMA
OF CHILDELESSNESS

In a society in which most women grow up thinking they will become mothers--and in which many women go to great lengths to make that desire a reality -- not having a child is often met with incredulity and scorn. But as the author of this thoughtful and meticulously researched examination of childlessness points out, childless women are part of an ancient and respectable cultural tradition that includes biblical matriarchs, celibate saints, and nineteenth-century social reformers.
