"To live with change, to optimize change, you need principles that don't change. I cannot fully describe the respect and reverence I have for every person who has contributed a story, for their willingness to share their inward struggles to live by universal and self-evident principles." -- Stephen R. Covey Featuring the Author In the ten years since its publication, "The 7 Habits of Highly Effective People" has become a worldwide phenomenon, with more than twelve million readers in thirty-two languages. The principles it teaches are more relevant than ever in today's uncertain world. "Living The 7 Habits: Stories of Courage and Inspiration" captures the essence of people's real-life experiences, applying proven principles to help them solve their

problems and overcome challenges. In this uplifting and riveting collection of stories, listeners will find wonderful examples of hope and encouragement as they are touched by the words of real people and their experiences of change -- change that got them through difficult times; change that solved family crises; change that mended broken relationships; change that turned their businesses around; change that influenced entire communities. The listener's understanding is enhanced by the personal commentary and added insights of Dr. Stephen R. Covey, as he explains how the application of his principles aided each situation. Whether you have read his previous works or not, these touching and powerful stories will enthrall and inspire you with an energizing recognition of your own freedom, potential, and power.
