Two beloved Newbery Honor books introduce the Ready-for-Chapters audience to historical fiction at its most accessible. In *The Courage of Sarah Noble*, young Sarah proves her courage while accompanying her father to their new home in the wilderness -- and by staying behind with a Native American family when her father must leave her. *The Bears on Hemlock Mountain* tells of Jonathan's brave trek across Hemlock Mountain -- where there just might be bears -- to borrow a big pot from his aunt.
