It isn't easy being Julian's younger brother. When Huey has bad dreams, Julian says his are scarier. When Huey's trout dinner is served whole, with a big, sad eye staring straight at him, Julian reminds him he has to eat it all. And when Huey wants to study animal tracks, Julian says he's too young. But Huey isn't little kid. He's an adventurer, a chef, a tracker, and a scout. And he's about to show Julian -- and the world -- all that he can do.
