A must for anyone travelling abroad. As the first phrasebook ever to appear in a 'map' format, what better guided tour could there be through the experiences of travelling in a foreign language? Also the perfect stocking filler, bon voyage gift, thank you, or party gift. A patented lamination process allows Language Maps(r) to fold and unfold in a snap without tearing in addition to being durable, weatherproof, compact, sturdy, easy to use, and much lighter and discreet than a dictionary or phrasebook. Contains over 1000 words and phrases split into important sections covering the basics for any trip. Language Maps(r) are so beautifully illustrated that all travellers will be proud to use them in any setting, whether dining in an expensive restaurant or buying tickets to a museum.
