出版时间:2013-6

装帧:

isbn:9780664221430

In this important addition to the Old Testament Library, renowned scholar Brevard Childs writes on the Old Testament's most important theological book. He furnishes a fresh translation from the Hebrew and discusses questions of text, philology, historical background, and literary architecture, and then proceeds with a critically informed, theological interpretation of the text. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.
