This book allows you to find any chord quickly and easily. Each chord is displayed on every possible string from the lowest to the highest with numerous voicing options.

The unique Chord-Finder System(TM) is included on every page to help you locate the specific root you need, which allows for instant transposition and visualization. This is the ideal book for beginners seeking a well-organized, easy-to-follow guide to last a lifetime, and for professionals who need a reference of chords for every possible musical situation.
