If you like stories with happy endings,

listen to something else Dear Listener, I hope, for your sake, that you have not chosen to listen to this recording because you are in the mood for a pleasant experience. If this is the case, I advise you to put down this audio instantaneously, because of all the audios describing the unhappy lives of the Baudelaire orphans, The Miserable Mill might be the unhappiest yet. This recording, I'm sorry to inform you, contains such unpleasantries as a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident resulting in injury, and coupons. I have promised to record the entire history of these three poor children, but you haven't, so if you prefer stories that are more heartwarming, please feel free to make another selection. With all due respect, Lemony Snicket
