When Louie goes looking for a father, he meets Barney. Barney accuses Louie of stealing a music box from his truck, but Louie says he didn't do it. It's up to Louie's mother to settle the conflict and reveal that meeting Barney may be the beginning of the end of Louie's search. This heartwarming tale features the same collage art and colorful urban setting that are featured in Keats' popular books *A Letter to Amy* and *Peter's Chair*.
