Since it first appeared in 1917, this edition of the Scofield Study Bible has been regarded by evangelical Christians as a classic work in its field. Its page by page framework of notes, cross-references, subject chain references, definitions, and comprehensive outlines help the reader to explore in depth the passages of Scripture. Now for a new generation of users, Oxford has re-set the Bible using the Authorized King James Version alongside Scofield's complete study notes. This style uses a red-letter text for the New Testament, and in addition to all the normal features of Scofield Bibles, it also incorporates full colour Oxford Bible Maps.
