First published in 1922 during the "Red Scare," by which time Jane Addams' pacifist efforts had adversely affected her popularity as an author and social reformer, "Peace and Bread in Time of War" is Addams' eighth book and the third to deal with her thoughts on pacifism. Addams' unyielding pacifism during the Great War drew criticism from politicians and patriots who deemed her the "most dangerous woman in America." Even those who had embraced her ideals of social reform condemned her outspoken opposition to U.S. entry into World War I or were ambivalent about her peace platforms. Turning away from the details of the war itself, Addams relies on memory and introspection in this autobiographical portrayal of efforts to secure peace during the Great War. "I found myself so increasingly reluctant to interpret the motives of other people that at length I confined all analysis of motives to my own," she writes. Using the narrative technique she described in "The Long Road of Women's Memory", an extended musing on the roles of memory and myth in women's lives, Addams also recalls attacks by the press and defends her political ideals. Katherine Joslin's introduction provides additional historical context to Addams' involvement with the Woman's Peace Party, the Women's International League for Peace and Freedom, and her work on Herbert Hoover's campaign to provide relief and food to women and children in war-torn enemy countries.

这些social workers发展成的pacifists真是现代圣徒，不，是现代耶稣：被世人辱骂，被友人抛弃，被权势恐吓。她们准确预言了不人道的《凡尔赛条约》将会带来的恶果，而她们的一些理念在二战后终于被采用，自己却被人遗忘。“民主”国家对待conscientious objector的态度令人齿冷："there could be no such things as a political offense in a democracy; each man was arrested for breaking a law and tried as a criminal."作为基督教国家，利用强迫手段征兵虚伪至极。
