出版者:

出版时间:2002-6

装帧:

isbn:9780827606937

"Chanting the Hebrew Bible" provides a fine history of the tradition and offers a comprehensive explanation of the practice, an explanation of regional variations and

grammatical rules, and shows how chanting dramatizes and interprets the meaning within the biblical text. In addition, Jacobson shares his unique system of notation and supplies extensive examples of musical notation. Producing a book as expansive and detailed as "Chanting the Hebrew Bible" was a big undertaking, and author Joshua Jacobson and JPS are very proud of this remarkable book. We feel sure that it will be the most important reference in its field for years to come.
