Xena, the warrior princess, and her loyal companion, Gabrielle, have battled the airwaves for love, peace, and forgiveness and become modern icons for fervent devotees. These stories, written by fans, describe the impact the show has had on their lives, from people they've met and relationships they've cultivated with other viewers to special encounters with the stars of the show in times of need. Other stories illustrate lessons learned and achievements gained, inspired by Xena's physical strength or Gabrielle's intellect.
