isbn:9780787962425

"The writing is beautiful, the ideas persuasive, and the picture it paints of the process of careful observation is one that every writer should read. . . . A rich and wonderful book."

--American Journal of EducationA landmark contribution to the field of research methodology, this remarkable book illuminates the origins, purposes, and features of portraiture--placing it within the larger discourse on social science inquiry and mapping it onto the broader terrain of qualitative research.
