Wind Chamber Music, Volume 2, lists works currently available in print for wind chamber ensembles of two to sixteen winds (flute, oboe, clarinet, bassoon, French horn). Written by one of the foremost authorities on woodwind chamber music, this comprehensive, annotated guide lists more than 2,500 chamber pieces. Information is provided about each composition including composer name, nationality, birth and death dates; title, arranger, composition or copyright date, publisher, instrumentation, length, difficulty level; and general information about the composition or the composer. Written by one of the foremost authorities on woodwind chamber music, every library and wind ensemble should have a copy of this comprehensive guide. Whether researching a program of music from a specific ethnic group, identifying the mainstream repertoire, searching for works appropriate for students or just looking for a fun-filled piece for a pops concert, this book will prove invaluable to music teachers, professional and amateur musicians and music students.
