A fun and information-packed book featuring scores of tactics for decoys, blinds and

boats, calling, dog training, as well as tips on guns, loads, pass shooting, jump shooting, waterfowl identification, et al. Also included in this fast-paced, profusely-illustrated volume are classic how-to and timeless fiction pieces from the best outdoor writers of our time. This is the first in a series of outdoor sports-related books drawn from the venerable editorial archives of Sports Afield magazine.
