Written by a practicing clinical psychologist who spent 10 years as a congregational

rabbi, The Rabbi As Symbolic Exemplar: By the Power Vested in Me presents positive solutions to the inevitable negative effects of symbolic exemplar coaching rabbis through dilemmas of the "inner soul." Being a rabbi means being a living Torah, a walking, talking symbol of all that Jewish tradition represents. The burden of being a symbolic exemplar of God is extraordinary and the struggle to live up to its requirements can be one of loneliness, frustration and despair, resulting in the alienation of rabbis who are tired of living in a glass house
