It is clearly written and easy to understand' - Ken Klopach, Art Educator, Funston Elementary School Chicago, Illinois. This practical guide for beginning teachers walks them through all of the exciting and exacting requirements they will encounter during the first days, weeks, and months of their first year as new teachers. Chapters cover diverse learners, classroom organization and management, curriculum and instruction, lesson planning, professional growth and development, and more. This is an ideal volume for new teachers, supply teachers, returning teachers, and newly hired teachers with provisional certification.
