From the leader in business education, comes the latest in computer-based accounting. Automated Accounting 8.0 (revision of AA 7.0) takes the functionality of commercial software and incorporates educational features so users are prepared for the accounting workplace. This integrated accounting system consists of general

ledger, accounts payable, accounts receivable, payroll, inventory, bank reconciliation, and plant assets. No matter what commercial software the user encounters on the job, they will be prepared! Automated Accounting 8.0 combines the look and feel of real-world accounting software with solid reinforcement of basic accounting concepts. Visit swep.com home page, click on preview button, and choose accounting section, to preview chapter one of this text and to download demo software.
