著者:Greenhalgh, Trisha/ Donald, Anna

出版者:

出版时间:1999-11

装帧:

isbn:9780727914477

Based on Trisha Greenhalghs course on teaching evidence based health care, this workbook can be used as a stand alone self learning book, either for groups or individuals. The different units covering areas such as decision analysis and diagnostic testing each contain a published paper with exercises for the user, and critical appraisal checklists. It will act as a complement to the best-selling How to Read a Paper
