This volume, a part of the New Testament Library series, surveys the scholarly work that has been done concerning the book of John. J. Louis Martyn also provides his own reading of the forth Gospel. The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament, as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.
