Here is an opportunity to listen in on fascinating conversations with people who found God when they didn't really want to and weren't even looking. Through a series of deeply personal interviews with individuals from different walks of life, the authors conduct a captivating discourse on discovering a "higher power." The interview subjects are not proselytizers, nor are they interested in comparing spiritual states. Their stories are neither tidy nor definitive. What they offer, however, is a remarkable, refreshing, and ultimately satisfying mosaic on the meaning and manifestation of God.
