著者:Wayne A. Meeks

出版者:Yale University Press

出版时间:2003-2-8

装帧:Paperback

isbn:9780300098617

In this classic work, Wayne Meeks analyses the earliest extant documents of Christianity - the letters of Paul - to describe the tensions and the texture of life of the first urban Christians. In a new introduction, he describes the evolution of the field of New Testament scholarship over the last two decades of the 20th century, including developments in fields such as archaeology and social history.
