Authors Stephen Arterburn and Fred Stoeker believe that every man can meet the secret desires of his wife. The problem is, most of us aren't exactly sure what that desire is and how we can go about fulfilling it faithfully.

In Every Man's Marriage, you can discover the common misconceptions about what it means to exercise biblical authority and understand the role of submission in the marriage relationship. This groundbreaking book can help men grasp and apply essential but often overlooked principles for marital leadership.

Through candid reflections on their personal struggles to achieve biblical unity in their own marriages, along with many years of combined experience in marital counseling, Arterburn and Stoeker apply solid, time-tested biblical wisdom to the everyday potential distortions that can lead to strife in a marriage.

The second book in the Every Man series, this is the perfect follow-up to the best-selling Every Man's Battle. Every Man's Marriage is a terrific resource for establishing mutual respect and sacrifice in your marriage based on Christ's example of loving His bride, the church.
