Two days before He died, Jesus gave His closest followers a sweeping panorama of

earth's final days. Responding to questions about the end times, Jesus' great speech on the Mount of Olives described the tribulation and His second coming - and offered several famous parables of practical application for the disciples. In a powerful indication of His priorities, Jesus devoted twice as much time to telling His followers how to live in light of His return as he did to describing the actual event. Readers will be inspired and equipped to live faithfully in expectation of Christ's coming.
