Augmented with a new bibliography and streamlined appendices, "The Guide to the

"Successful Thesis and Dissertation, Fifth Edition" views the valuable addition of references to university research libraries and advanced information on websites, online searches, electronic literature, and other modern computer methods as crucial for the successful completion of any T/D. This popular text guide features new references and computer-oriented resources for every stage in the creation of honors and master's theses and dissertations and refers to current T/D statistics, federal regulations, ethical codes, and copyright issues and legalities involved in information gathering and study conduct.
