Dark Horse continues it's line of stationery featuring some of today's finest outre artists. Email may be de rigueur, but the art of the letter is still considered top form in socializing from afar. Each set includes 8 letter sheets (four different styles), 6 envelopes (4 different styles), and a set of stickers. Packaged as a work of art itself with a printed belly-band all inside a poly bag. Bob Eggleton is one of the best and most prolific fantasy artists around. Best known for his finely detailed sci-fi, horror and fantasy worlds, his work has graced countless book covers and magazine spreads.
