The closer a husband is to God, the closer he will grow to his wife. That's why it's so vital for husbands to pursue God's heart and get to know His perfect design for the man's role in the marriage relationship. Husbands will find their marriages growing richer and deeper as they discover how to...win a wife's heart through loving leadership; enjoy better communication through careful listening; build a happier home through wise guidance; encourage the family's spiritual growth by example; and, excel at a career without sacrificing family priorities. Jim George addresses 12 areas of a husband's life, providing men with powerful and practical applications for becoming a husband after God's own heart. It includes a helpful study guide.
