This is the guide to help you experience all that is excellent about Scotland. Whether you live here or are visiting, why settle for the second-rate when you can be guided to so much that is superb? Peter Irvine's personal guide provides thousands of recommendations covering a multitude of topics including: the best places to stay (whatever your budget), the best beaches, the best ice-cream, the best hill walks, the best bakers, the best spooky places, the best seafood, the best places for kids, the best ceildhs, and so the list goes on. In this edition Peter Irvine has reassessed every recommendation to see whether it is still worthy of inclusion.
