Single people could very well be the most effective members of God's kingdom, so Satan gets them to believe they're forsaken by God. But it's a lie. Janet Folger says: "You're alone now, like me, because God has something critically important He wants you to do right now." This is an honest, encouraging, and hilarious chat with a woman who knows single people's struggles. Folger's witty insights will clear readers' minds of the lies that destroy their happiness and freedom as single women - all the sooner to find what God has for them to do right now.
