The perfect companion to the bestselling *The Mother of All Pregnancy Books* For the four million American women who give birth every year, staying on top of doctor's visits, ultrasound tests, Lamaze classes, baby supplies, birth announcements, and all the other day-to-day realities of pregnancy can seem a little overwhelming. This handy

Laminated for durability, wire-bound to lie flat, and featuring section dividers for easy access and rounded corners to reduce wear and tear, it includes helpful checklists, handy reminders about key events and milestones, space to record important details every week, guidance on every prenatal healthcare visit--and, of course, Ann Douglas's inimitable tips and advice on all aspects of pregnancy.
