Maverick theologian Matthew Fox brings readers into the common heart of the world's great religions, illuminating a "deep ecumenism" for seekers everywhere.

We get to the core of religion by going to the heart experience, Matthew Fox says, not by dwelling on doctrines that so easily divide even within religious traditions. In *One River, Many Wells*, Fox exhorts readers to embrace the common faith of deep ecumenism.

Fox masterfully distills the common principles of the world's religions, and shows exactly how the different fingers of world faiths connect to a single hand. Drawing on seminal quotes, lessons, and ideas from the great faiths, he demonstrates how each expresses a common goal and approach to life, and concludes the book with "18 New Myths and Visions" that will inspire readers to embrace deep ecumenism.

*One River, Many Wells* is an indispensable resource, envisioning a new and exciting way of faith that erases the lines of false distinction between religions and calls upon each of us to worship from our common heart.
