This unique homage to Cuba's astonishing wealth of antique cars is also a paean to the extraordinary people who keep their weary "cacharros" running with resourcefulness, ingenuity and great good humor. In a collection of vibrant images, "Cuba Classics" reveals the time-worn splendor of classic American automobiles spanning eight decades. This magnificent portrait of today's classic cars is also an exploration of the island's tumultuous history. In a dynamic photojournalistic essay that traces the long love affair between Cubans and the U.S. automobile, Christopher P. Baker also celebrates Cuba's landscapes and colors, his images putting the beloved "cacharros" within a tropical setting both sensual and surreal. Written in a lively, engaging style, "Cuba Classics" captivates everyone from armchair travelers to classic car connoisseurs with powerful imagery that reflects the beguiling other-worldly charm

of Cuba, the Caribbean's most compelling and intriguing isle.
