"Colloquial English" is an easy-to-use course, specially written by an experienced teacher for self-study or class use. It teaches current spoken and written English, as used in the UK, through the medium of English itself. This course assumes a basic knowledge of English and is suitable for post-beginners, whether studying on their own or as part of a class. The features include: full explanations and illustrations of grammatical terms, pronunciation guide to help with areas of particular difficulty, and a variety of exercises to help learners to grow in confidence full answer key. The accompanying audio material is available on CD/MP3 format, or comes included in the great value "Colloquials Pack".
