This is the first-ever collection of images and data on German Military vehicles. Packed with never-before-seen photos and recently-discovered technical data, "Standard Catalog of" German Military Vehicles delivers comprehensive coverage of the most

revered and feared war machines of WWII. Covering everything from the famous Tiger tanks to obscure and peculiar hybrids, motorcycles and tracked vehicles, this all-encompassing reference is a must-have for any military historian, military vehicle enthusiast or military modeller. With historical information behind each of the 200 featured vehicles, as well as specifications for each and more than 1,000 detailed photographs, "Standard Catalog of" German Military Vehicles is the best, biggest and most complete book on the market.
