Based on the well known Bible character, Noah, this book is perfect for children who can't turn the pages fast enough, enticing for early readers and ideal for grown-ups who love to fill in the gaps. See the words at work as the story is told in full at the end of the book. The pages are bright and colourful and will keep any child entertained as well as encourage them to learn, not only the inspirational story of Noah, but also, to read.
