This is the only truly comprehensive directory of 20th century British Studio Potters' marks Each entry gives biographical data, information on the type of ceramics produced, location of pottery and dates as to when the mark has changed, along with examples of different marks used. This second edition has been fully revised and updated and is a must for all potters, collectors, museums, auction houses, and shops, as well as anyone generally interested in British pottery. "The only such catalogue you'll ever need on your shelf." Antiques Magazine
