ILLEGAL ALIEN is the most reasoned analysis to date of the controversial issue of illegal immigration and its growing impact on the American economy and way of life. Mr. Contreras makes a historical comparison of immigration and a well-documented scrutiny of the vocal opinions of well-known anti-immigrant spoke-persons as well as those who seek unrestricted openness of our borders. "With impeccable logic, Raoul Lowery Contreras demolishes the drivel emanating from anti-immigration fanatics - the "knuckle-dragging element within the Republican Party," as he puts it. Yet he is clear-eyed enough to also take on the "professional plantationeers" of the radical Chicano movement and their liberal sponsors on America's campuses and at activist "minority" groups. A cry for common sense from the radical center, showing American Hispanics can - and must - punch to the left and to the right." Roger E. Hernandez
