Jonathan Wood. Morgan, founded in 1910, made three-wheelers for 26 years before deciding to add a fourth wheel to their vehicles and enter the sports car market. It was a good move. Today Morgan - the oldest motor manufacturer in the world still controlled by the family who created it - enjoys a waiting list of several years, which speaks volumes for the desirability of its nostalgic sports cars. This enthusiasts guide includes a history of the marque, buying tips, driving impressions, and technical specifications.
