Now in its seventh edition, this guide provides comprehensive coverage of all the new health and safety legislation, ensuring you can successfully implement the necessary legislation in your organisation. Fully revised and updated. Organised into two easy-to-use sections and fully illustrated with case studies, the Handbook of Health and Safety Practice discusses both the legal and the practical aspects of health and safety in the workplace. This authoritative guide helps you to take a more comprehensive view on health and safety and how it can contribute to your wider business objectives.
