What does the Bible say about women's roles in the church? This book furnishes you with a clear and thorough presentation of the two primary views on women in ministry so you can better understand each one's strengths, weaknesses, and complexities. Each view—egalitarian and complementarian—is represented by two contributors.

Each author states his or her case and is then critiqued by the other. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions, and to form your own opinion concerning the practical and often deeply personal issue of women in ministry.

作者介绍:

James R. Beck is senior professor of counseling at Denver Seminary. He is the author of *The Human Person in Theology and Psychology: A Biblical Anthropology for the Twenty-first Century*.

目录: “An Egalitarian Perspective” by Linda L. Belleville  
“A Complementarian Perspective” by Craig L. Blomberg  
“Another Egalitarian Perspective” by Craig S. Keener  
“Another Complementarian Perspective” by Thomas R. Schreiner
