Featuring classic illustrations by Peter Bachin, this chart shows anterior, lateral, and posterior views of the skeletal system. It also illustrates portion of long bone, auditory ossicles, ligaments of the right hand (dorsal and palmar views), ligaments of the right foot (dorsal and plantar views), and the right knee joint (anterior and posterior views). Three dimensions let you feel texture and form. Three-dimensional images, bold titles, and clear, easy-to-read labels make it easy and fun to learn about the body. The durable, lightweight, non-toxic, recyclable plastic will last indefinitely. The chart has a hole at the top for easy wall hanging, and will also stand up on an easel.
