Tom Artis is one of the most imaginative & innovative comic artists of his generation! Blending humour and high adventure to his work, the resulting illustrations are an immediate reminder why comics can be so much fun! Artis has one of those

bottomless pools of imagination, and what comes to the surface is always a delightful surprise! You can see the reams of research and carefully considered logic that goes into every amazing drawing! If every picture tells a story, then every rendering from Tom is a blockbuster novel! Now see the artist known as Artis at work and play in his very own showcase.
