Presenting twenty individual grammar points in lively and realistic contexts, Basic Spanish is an accessible reference grammar with related exercises in one, easy to follow volume. Beginning with the simpler aspects of Spanish and progressing on to more complex areas, each chapter contains grammar points that are followed by examples and exercises selected to reinforce the topic. A first-class introduction to the language, features of this practical book include: * authentic reading texts to encourage an understanding of Spain and Spanish-speaking countries * reference to Latin American usage where appropriate * abundant exercises with full answer key * glossary of grammatical terms. Clearly presented and user-friendly, Basic Spanish provides readers with the basic tools to express themselves in a wide variety of situations, making it an ideal reference and practice resource for both beginners and students with some knowledge of the language.
