When Raider takes Rosie to England she finds no living kin-and long buried family secrets. When Raider offers to take Rosie to New Orleans, she sees no other option. But it is a journey that brings her closer than ever to the daring buccaneer who has captured her heart.yet farther from the romantic dream that torments her. As the war rages at sea, Rosie once again watches Raider sail into battle, driven by the obsession that consumes him, and taking with him the love that has become the very soul of Rosie's life.
